Letter to W. W. Jackson. Farmville, Va.

Dear Sir: This happened seven years A man, having three little poul-uses, bought one gallon of each of two paints to paint them, paid \$1.60 for one and \$1.70 for the other, 15 cents

The \$1 60 gallon painted one house

sgain, the second two houses had cost aponon and after the 1st of September 15.20 and were ready to paint again.

That is: saving 15 cents a gallon made one house cost twice as much as the other two houses, hesides the fuss of an extra paint job in three years.

The 1/2 paint year fluores are the second two houses as much as the other two houses, hesides the fuss of an extra paint job in three years.

The 1/2 paint year fluores are the second two houses had controlled the first of September three is the second two houses are the first of September three is the second two houses, head of the fust of September three is the second to the heavy all our houses. We, that is reported three interests the second two houses, head of the fust of the first of September three is the second to the heavy all our houses. The pictures have been unusually put the news in paper so readably the fust of the fust o

wears longer, less fuss. And the cost of Devoe is about one-fourth of the cost of a paint that doubles the gallons.

degree of unanimity and earnestness gave thanks. I quote from memory, fabrice, pain, defeat, sorrow and the thorny way. The question is were we sincere? I sangit with them and have sincere? I sangit with them and have whether painful or pleasant? Yes; but can we poor mortals honestly say we been along, languing them the sacred structure.

Will Be Here Sept. 8th.
